

Dear Residents and Families Atria Cranford,

We have shared a lot of information with you since the start of the pandemic in March. Our response is comprehensive in an effort to best protect the health and safety of everyone in our community. We continue to find ways to move forward thoughtfully, carefully, and safely while also working with state health officials.

To read more about Atria's Covid-19 response, please click the link below. There you will find letters and videos directly from Atria's CEO John Moore and in-depth information on what we've done to protect both residents and staff.
